DGP C S SN1835 FM (952 033)

- Specifically for use in railway systems for the control of permanent and short-term interference voltages according to DB Ril 819.0804
- Leakage-current-free type due to galvanic isolation
- Modular design consisting of a base part and plug-in spark-gap-based protection module

Basic circuit diagram

Dimension drawing

Railway interference arrester; FM version with floating remote signalling contact.

Type	**DGP C S SN1835 FM**
Part No.	**952 033**

Masterdata	
Net weight	114.3 g/pc(s)
GTIN	4013364156050
PU	1 pc(s)
Customs tariff number (Comb. Nomenclature EU)	85363030

We reserve the right to make changes to the design and technology, dimensions, weights and materials in the interests of technical progress. The illustrations are not binding.
