Anybus SST-PN-2-PE

Item number: 1120000100

The Anybus SST-PN-PCIe is a Standard PCIe interface card for connecting embedded systems or PCs to PROFINET networks. The PCIe card is robust and provides interoperable and reliable communication in diverse industrial applications.

Connects computers and embedded systems to PROFINET

Features and benefits

PCIe interface

PCI Express interface supports high-speed data transmission, ideal for demanding industrial applications (complaint with PCI Express v2.0).

Use in industrial and standard PCs

PC interface board for fixed installation in desktop or industrial PCs, providing reliable connectivity supporting windows.

Anybus SST-PN-2-PE

General

Net Weight (g)	145
Packed Weight (g)	145

Identification and Status

Product ID	1120000100

Physical Features

Contains Battery	No
