Anybus SST-PB3-CLX-RLL

Item number: 1120160018

The Anybus SST-PB3-CLX is a Communication module for connecting ControlLogic controller to PROFIBUS networks.

Connects ControlLogix PLC to PROFINET

Features and benefits

Communication module

Communication module for connecting ControlLogic controller to PROFIBUS networks.

Use with ControlLogix PLC

To use with ControlLogix PLC from Rockwell to support PROFIBUS communication.

Anybus SST-PB3-CLX-RLL

General

Net Weight (g)	430
Packed Weight (g)	430

Identification and Status

Product ID	1120160018

Physical Features

Contains Battery	No
