Ixxat INpact CE Slave M.2 Bracket Kit

Item number: 1.01.0342.20151

The Ixxat INpact CE Slave M.2 Bracket Kit is a versatile and efficient solution to connect embedded systems and PCs to industrial networks. This Common Ethernet variant offers preinstalled or downloadable protocols, enabling flexible multi-network communication in a very space-saving M.2 format. The kit includes an Ixxat INpact M.2, a connection cable, a bus coupling unit and a bracked plate.

Features and benefits

Ixxat INpact CE Slave M.2 Bracket Kit

General

Net Weight (g)	43
Packed Weight (g)	180
Isolation	1,500 Vrms
Configuration	The Ixxat INpact cards comes with a comprehensive C-API based driver package for Windows and Linux – enabling simple and rapid development of customer-specific applications. Their uniform application programming interface allows for quick protocol switching with minimal programming, enhancing flexibility and reducing development costs.
Content of Delivery	Ixxat INpact PC board, user manual, connection cable (150 mm), bus coupling unit, mini bracket, product CD with firmware for all supported industrial Ethernet protocols, available as free download: Windows, Linux and INtime driver software
Not Included (in delivery)	comprehensive and powerful driver and software packages are available as download
Packaging Material	Cardboard

Identification and Status

Product ID	1.01.0342.20151
Country of Origin	Germany
HS Code	8517620000
Dual Usage	No
Export Control Classification Number (ECCN) (Applies only to the U.S)	EAR99

Physical Features

Connectors / Input / Output	2 x RJ45 connectors via bus interface board, 1 x PCI express single lane port (x1)
Form Factor	M.2
Contains Battery	No

Certifications and Standards

CE	Yes
FCC	Yes
WEEE Category	IT and telecommunications equipment
