Ixxat Mobilizer DIN Rail Mount

Item number: 1.04.0143.00001

The Ixxat Mobilizer DIN Rail Mount is a useful accessory for the Ixxat Mobilizer Series, enabling secure installation of the device on standard 35 mm grounded DIN rails. Made of aluminum and supplied with four screws, the mount is attached to the device and snapped into place on the rail for quick and stable installation.

Accessory for Ixxat Mobilizer

Features and benefits

Optimal compatibility

Designed for use with Ixxat Mobilizer devices and compatible with 35 mm grounded DIN rails. Ideal for cabinet or panel integration.

Durable Construction

The robust aluminum construction ensures a durable and stable attachment, even in demanding environments.

Easy mounting

Installation is straightforward using the included screws. The device is simply attached and then snapped onto the DIN rail.
