Ixxat CAN cable

Connects CAN/CAN FD components (D-Sub 9 socket to plug)

Item number: 1.04.0076.00180

The Ixxat CAN cable (2.0 m length) with D-Sub 9 male to female connectors ensures reliable connectivity for components in CAN and CAN FD systems. Its shielded design and twisted wires ensure minimal interference and reliable data transmission.

Features and benefits

Robust connectivity

Features a 9-pin D-Sub plug to socket design, enabling flexible connections to various devices.

Simplified installation

Features a direct 1-to-1 pin assignment, making connection straightforward.

Easy network integration

Allows easy integration into CAN or CAN FD networks with a length of 200 cm (cable length without connectors: 190 cm).

Technical data overview

Contact resistance: 10 mOhm / testing voltage: 800 V / rated voltage: 350 V / temperature range: 0 °C to 70 °C

Ixxat CAN cable

General

Net Weight (g)	110
Packed Width (mm)	12
Packed Height (mm)	2
Packed Depth (mm)	11
Packed Weight (g)	110

Identification and Status

Product ID	1.04.0076.00180
Country of Origin	China
HS Code	8544429090
Dual Usage	No

Physical Features

Contains Battery	No

Certifications and Standards

WEEE Category	IT and telecommunications equipment
