Ixxat INpact cable

Item number: 1.04.0340.00000

The INpact cable, with a length of 150 mm, serves as an essential link between the bus coupling unit and the INpact interface board. It enables reliable signal and data transmission over a short distance between the components.

Connects Ixxat INpact interface boards and bus coupling units (150 mm)

Features and benefits

Reliable Connection

Tailored to Ixxat INpact boards in a M.2 or PCIe Mini format, the cable provides a secure and efficient connection to the bus coupling unit, ensuring reliable data transfer.

Simple integration

Its 150 mm length offers enough flexibility for easy installation and arrangement within confined spaces in industrial setups.

Ixxat INpact cable

General

Net Weight (g)	8
Packed Weight (g)	58

Identification and Status

Product ID	1.04.0340.00000
Country of Origin	Germany
HS Code	8544421000
Dual Usage	No
Export Control Classification Number (ECCN)	EAR99

Physical Features

Contains Battery	No

Certifications and Standards

WEEE Category	IT and telecommunications equipment
