CGHD20

Cable glands HD

CONNECT AND PROTECT

Thread	M20 x 1.5
Cable Size	6 - 12
Item no.	CGHD20

Description: Hygienic design cable fittings. Known for excellent strain relief even while providing higher protection class. Machining required. Design according to EHEDG standards.

Material: AISI 303 stainless steel. Sealing in FDA approved silicone.

Protection: IP 69.

Pack quantity: 5 pieces, locknut included.

These hygienic cable glands meet EHEDG requirements and are developed for enclosures that are to be installed within the food & beverage industry. Ingress protection is guaranteed, even when the enclosure is being cleaned with high pressure, high temperature water.
